I have asked Ken to forward you Dave Ellis' contact information. Last we heard he was unrepresented, and I dont think we have any information other than a sale was pending and was supposed to close at the end fo January.

Fred -- the Court's clerk called me this evening to advise that tomorrow's hearing will be rescheduled. The Court is closed due to lack of power to much of our downtown... We'll let you know when we have a new date and time.

Justin
